Charlie Chapman drove a steam engine for Chaplain Industries.  
He was a choo-choo train conductor.  
Choo-choo Charlie chugged to Chinatown.

Charlie chuckled and chatted with his friend as they went.  
Charlie waved at the chairman of their company.  
Charlie read a chapter in his book at a stop in Chattanooga.  
Charlie chased a bee out of the train.  
Charlie passed a church on his route.  
Charlie sat in a chair and ate chocolate.  
Charlie chortled at a funny joke in the comics.  
Charlie changed tracks when he had a chance.  
The choo-choo train ran on coal, and it smelled like charcoal.  
It was hot inside the choo-choo train, but chilly outside.

Working on a choo-choo train meant doing lots of chores!  
There were many challenges on a choo-choo train.
