## Phonics

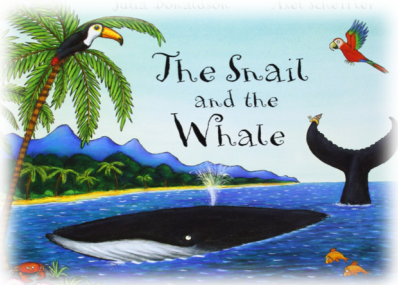

This is the whale who came one night  
When the tide was high and the stars were bright.  
A humpback whale, immensely long,  
Who sang to the snail a wonderful song  
Of shimmering ice and coral caves  
And shooting stars and enormous waves.  
And this is the tail  
Of the humpback whale.  
He held it out of the starlit sea,  
And said to the snail,  
"Come sail with me."
