Bridget Riley – Winter Palace

Bridget Riley is a famous British artist who specialises in 'optical art'. In 1970, Riley visited Egypt and went to see the ancient tombs that reside there. She stayed at the luxurious hotel 'Winter Palace', which is referenced in The Secrets of a Sun King and would later give the painting the same name. Riley was interested in colours and created the beautiful painting from all the colours that she could see during her visit.

Winter Palace

Name: _____

Topic: Egypt

MF: Bridget Riley

Can you draw some of the things that Riley might have seen?

Black

A rectangular box with a yellow dotted border, intended for drawing in the color black.

Magenta

A rectangular box with a yellow dotted border, intended for drawing in the color magenta.

Mustard

A rectangular box with a yellow dotted border, intended for drawing in the color mustard.

Light blue

A rectangular box with a yellow dotted border, intended for drawing in the color light blue.

White

A rectangular box with a yellow dotted border, intended for drawing in the color white.

Extension

Create your own version of Bridget Riley's Winter Palace using a setting or memory of your own. You could use strips of card or even mix paint to achieve a greater range of colours.
